The Guarantor will agree to defer any right of subrogation it may have against the Issuer in respect of amounts due on the Bonds which have been paid by the Guarantor under the Bond Guarantee to those rights of the Trustee, the Bondholders and/or the Couponholders which have not yet been discharged in full.

Interest: 2.893 per cent. per annum payable semi-annually in arrear on 11th February and 11th August in each year, commencing on 11th August, 2017.

The proceeds of the issue of the Seventh Issue Bonds (with the exception of a sum equivalent to 52 days' accrued interest, which will be retained by the Issuer), or in the case of the Seventh Issue Retained Bonds the proceeds of the sale of the Seventh Issue Retained Bonds to a third party (with the exception of a sum equivalent to the relevant number of days' accrued interest, which will be retained by the Issuer), will be lent to Approved Borrowers pursuant to Loan Agreements to be applied towards the delivery of new-build affordable homes, either for affordable rent or affordable home ownership housing in England (or the equivalent in the devolved administrations), in accordance with the Affordable Housing Guarantee Scheme.

DESCRIPTION OF THE AFFORDABLE HOUSING GUARANTEE SCHEME

In September 2012, the Department for Communities and Local Government (the **DCLG**) announced a package of measures designed to stimulate economic activity and to facilitate an increase in housing supply. These measures include two UK-wide Housing Guarantee Schemes, whereby the DCLG will provide guarantees to support debt raised by borrowers to develop additional new housing in both the affordable housing and private rented sectors. There will be separate guarantee schemes for each sector (the scheme for the affordable housing sector being the Affordable Housing Guarantee Scheme), with a maximum value across both schemes of £10 bn (£3.5 bn allocated to each initially, with £3 bn held in reserve).

Pursuant to a licence dated 19th June, 2013, as amended and restated on 4th November, 2014, (the **Licence**), the Secretary of State for Communities and Local Government granted a licence to the Issuer for the management and delivery of the Affordable Housing Guarantee Scheme, with exclusivity for applications received on or before 31st March, 2016. Further transactions under the Licence whereby the Issuer raises and on-lends debt to Approved Borrowers have been undertaken since 31st March, 2016 and are possible in 2017.

In accordance with the terms of the Licence, the Secretary of State for Communities and Local Government will guarantee the payment obligations of the Issuer in respect of debt raised under the Affordable Housing Guarantee Scheme thereby lowering the cost of its debt. It will also guarantee the payment obligations of each Approved Borrower to the Issuer pursuant to their respective Loan Agreements.

Affordable Housing Guarantee Scheme Rules

The Rules establish the nature of the projects to be supported pursuant to the Scheme, the security to be provided by Approved Borrowers who are able to access funding procured via the Affordable Housing Guarantee Scheme, the recourse nature of the borrowings, covenants, undertakings, documentation and process.

 - (c) If the Guarantor exercises any right of set-off, combination, counter-claim or any “flawed-asset” or “hold back” arrangement pursuant to or contrary to sub-paragraph (a)(iii) above, it will immediately pay or transfer to the Bond Trustee an amount equal to the amount set-off, combined, counterclaimed or subjected to any “flawed-asset” or “hold back” arrangement to the extent necessary to discharge the Guaranteed Obligations in full.
 - (d) The Guarantor agrees that where as a result of the enforcement of any other guarantee or security it has provided in favour of a creditor of the Issuer in respect of the Issuer’s indebtedness (including the issue of any bonds) it becomes a subrogated creditor of the Issuer, it shall exercise those rights against the Issuer only in accordance with the original creditor’s rights under the Deed of Priority.

8. PRINCIPAL DEBTOR

The Guarantor agrees as an independent and primary obligation to pay on demand, immediately and unconditionally, any Guaranteed Obligation which is not recoverable from the Guarantor on the basis of the guarantee set out in Clause 2 (*Guarantee*). Any amount due under this Clause 8 will be recoverable from the Guarantor as though the obligation had been incurred by the Guarantor as sole or principal debtor, regardless of any unenforceability, invalidity or illegality of any Guaranteed Obligation.

9. IMMEDIATE RECOURSE

The Guarantor waives any right it may have of first requiring the relevant Guaranteed Creditor to proceed against or enforce any other rights or security or claim payment from any person before claiming from the Guarantor under this Deed. The waiver applies irrespective of any law or any provision of the Trust Deed or this Deed to the contrary.

11.2 Reinstatement

If the Bond Trustee reasonably considers, on the basis of independent legal advice, that any payment to, or guarantee or security provided to the Guaranteed Creditors is capable of being, or has been, avoided, reduced or invalidated by virtue of applicable law, notwithstanding any release or discharge of the Guaranteed Obligations, the liability of the Guarantor under this Deed shall continue as if such amounts had not been paid or as if such guarantee or security had not been provided.

12. PAYMENTS FREE OF DEDUCTION

All payments to be made to the Guaranteed Creditors under this Deed shall be made free and clear of and without deduction for or on account of Tax unless the Guarantor is required to make such payment subject to the deduction or withholding of Tax, in which case the sum payable by the Guarantor shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the person on account of whose liability to Tax such deductions or withholding has been made receives and retains (free from any liability in respect of any such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.

13. DEFAULT INTEREST

If the Guarantor fails to pay any sum payable by it pursuant to this Deed on its due date, interest shall accrue on the overdue amount from the due date until the date of actual payment (both before and after judgment) calculated on a daily basis at the rate determined in accordance with the Trust Deed for payment of overdue sums.

14. DEMAND AND PAYMENT

Notwithstanding anything to the contrary in this Deed but subject as follows, any demand for payment under this Deed shall be made by the Bond Trustee by delivery of a Notice of Demand.

The Guarantor shall make payment, in respect of a valid demand by the Bond Trustee on behalf of itself and any other Guaranteed Creditor under this Deed, to or to the order of the Bond Trustee (which may include payment directly to the Paying Agent to be applied in accordance with the Paying Agency Agreement). Every such payment shall be deemed, for the purposes of this Deed, to be payment to the relevant Guaranteed Creditor, and such payment shall constitute a complete discharge by the Guarantor of its liability under this Deed in respect of the relevant demand by or on behalf of that Guaranteed Creditor.

To the extent not otherwise paid directly to the Paying Agent to be applied in accordance with the Paying Agency Agreement, the Bond Trustee shall (subject to Clause 15 (Suspense Account) below) apply all monies received from the Guarantor under this Deed in satisfaction of the relevant Guaranteed Obligations, subject to and in accordance with any applicable terms of the Trust Deed.

No Bondholder or Couponholder shall be entitled to make a claim under this Deed unless the Bond Trustee having become bound as aforesaid to deliver a Notice of Demand in respect thereof fails or neglects to do so within a reasonable period and such failure is continuing.

15. SUSPENSE ACCOUNT

The Bond Trustee may place and retain on a suspense account, for as long as it considers fit, any moneys received, recovered or realised under or in connection with this Deed to the extent of the Guaranteed Obligations, without any obligation on the part of the Bond Trustee to apply such moneys in or towards the discharge of such Guaranteed Obligations.

16. CURRENCY

16.1 Currency indemnity

The relevant Guaranteed Creditor may effect such currency exchanges as are appropriate to implement the set-off and any usual charges and all applicable Taxes in relation to such currency exchanges shall be subject to the indemnity in Clause 3 (*Indemnity*).

18. CERTIFICATES AND DETERMINATION

19. NON CREATION OF CHARGE

No provision of this Deed is intended to create or shall create a charge or other security.

INVESTMENT CONSIDERATIONS

The following is a summary of certain aspects of the Seventh Issue Bonds about which prospective Bondholders should be aware.

The Issuer believes that the factors described below represent the principal risks inherent in investing in the Seventh Issue Bonds, but the inability of the Issuer or the Guarantor to pay interest, principal or other amounts on or in connection with the Bonds may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to it or which it may not currently be able to anticipate. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

This section is not intended to be exhaustive and prospective investors should also read the detailed information set out elsewhere in this Offering Circular and reach their own views prior to making any investment decision. Further, any prospective Bondholder should take its own legal, financial, accounting, tax and other relevant advice as to the viability of its investment.

Special Purpose Vehicle Issuer

The Issuer is a special purpose finance entity with no business operations other than the incurrence of financial indebtedness, including the issuance of the Bonds. As such the Issuer is entirely dependent upon receipt of funds from the Approved Borrowers under the Loan Agreements, and the Guarantor under the Loan Guarantees, in order to fulfil its obligations under the Bonds. To the extent the Issuer has insufficient funds to pay interest and principal under the Bonds, the Trustee (on behalf of the Bondholders and the Couponholders) will have recourse to the Guarantor pursuant to the Bond Guarantee.

Credit Support

As a result of the Bond Guarantee, the Bondholders' receipt of interest and principal payments under the Bonds does not depend on the Issuer receiving amounts from the Approved Borrowers under the Loan Agreements or from the Guarantor under the Loan Guarantees. To the extent the Issuer has insufficient funds to pay interest and principal under the Bonds, the Trustee (on behalf of the Bondholders and Couponholders) will have recourse to the Guarantor pursuant to the Bond Guarantee. In deciding to purchase the Seventh Issue Bonds, Bondholders will ultimately be relying on their assessment of the Bond Guarantee and the creditworthiness of the Guarantor. The rating of the Bonds is linked directly to that of the Guarantor.

Credit Rating

Credit ratings of debt securities represent the rating agencies' opinions regarding their credit quality and are not a guarantee of quality. Rating agencies attempt to evaluate the safety of principal and interest payments and do not evaluate the risks of fluctuations in market value; therefore, credit ratings may not fully reflect the true risks of an investment. Also, rating agencies may fail to make timely changes in credit ratings in response to subsequent events, so that an issuer's current financial condition may be better or worse than a rating indicates. A rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the assigning rating agencies.

The rating of the Bonds is based on the Bond Guarantee and the Guarantor. Pursuant to the Bond Guarantee, the Guarantor guarantees payments of principal and interest under the Bonds (the **Guaranteed Amounts**). The payment of the Guaranteed Amounts will, therefore, depend upon the Guarantor performing its obligations under the Bond Guarantee to the extent that the Issuer has defaulted in making payments of principal and interest under the Bonds. The likelihood of payment of the Guaranteed Amounts in these circumstances will depend upon the creditworthiness of the Guarantor. Consequently, investors are relying on the creditworthiness of the Guarantor to perform its obligations under the Bond Guarantee. Any event

that would hinder the Guarantor's ability to guarantee the Bonds would adversely affect the likelihood of investors receiving payments of principal and interest on the Bonds and could result in a withdrawal or downgrade of the ratings of the Bonds.

Withdrawal of the UK from the European Union

On 23rd June, 2016 the UK held a referendum to decide on the UK's membership of the European Union. This referendum resulted in a vote to leave the European Union. On 29th March, 2017 the UK Prime Minister officially notified the European Union that the UK is leaving the European Union. A two-year period of negotiation will determine the new terms of the UK's relationship with the European Union after which period its European Union membership is expected to cease. These negotiations are expected to run in parallel to standalone bilateral negotiations with the numerous individual countries and multilateral counterparties with which the UK currently has trading arrangements by virtue of its membership of the European Union. There are a number of uncertainties in connection with the future of the UK and its relationship with the European Union as well as the UK's future economic, trading and legal relationships. Until the terms of the UK's exit from the European Union are clearer, it is not possible to determine the impact that the UK's departure from the European Union and/or any related matters may have on the Guarantor. As such, no assurance can be given that such matters would not adversely affect the market value and/or the liquidity of the Bonds in the secondary market.

Control by the Guarantor

Although the Bond Guarantee mitigates the credit risks to which potential investors in the Bonds would otherwise be exposed, involvement of the Guarantor will have certain consequences. In particular, provided that no Guarantor Trigger Event has occurred, the Guarantor shall have the right to direct the Trustee in respect of all matters relating to the Conditions and the Trust Deed (other than a Bondholder Entrenched Right).

In addition, provided that no Guarantor Trigger Event has occurred, the Trustee shall, without the consent of Bondholders or the Couponholders, if so directed by the Guarantor, agree to any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the Conditions or any of the provisions of the Trust Deed (provided that the subject matter is not a Bondholder Entrenched Right) in the circumstances and subject to the conditions described in Condition 15. The Trustee will incur no liability to any person for so doing.

Sovereign risks and state aid

Transactions entered into with sovereigns or other emanations of the state (a **Relevant State Entity**) can be exposed to certain risks, including in relation to sovereign immunity and procurement and competition law. In the context of the provision of a guarantee by a Relevant State Entity, the risks include that a guarantee constitutes unlawful state aid.

The Guarantor has submitted to the jurisdiction of the English Courts in relation to any dispute arising out of or in connection with the provision of any Loan Guarantee and the Bond Guarantee (together the **Guarantees**).

The Issuer believes that the Guarantees may constitute aid but that such aid is compatible aid (permitted) as the Guarantees are provided in relation to funding for affordable housing, which is a Service of General Economic Interest. The Issuer is not aware of any challenge on the basis of state aid in relation to the Affordable Housing Guarantee Scheme.

Limited Liquidity

There can be no assurance that a market in the Bonds will develop or, if it does, that it will provide Bondholders with liquidity of investment or that it will continue for the life of the Bonds. The Managers are

not obliged to make a market in the Bonds and, if any Manager does, any such market-making may be discontinued at any time without notice. Consequently, a purchaser must be prepared to hold the Bonds for an indefinite period of time or until the Legal Maturity Date. Application has been made to admit the Seventh Issue Bonds to trading on the London Stock Exchange. No application has been made to list the Bonds on any other stock exchange.

Taxation – No Gross Up

The Issuer will not be obliged to pay any additional amounts to Bondholders to reimburse them for any tax, assessment or charge required to be withheld or deducted from payments in respect of the Bonds by the Issuer or the Paying Agent. Accordingly, in the event of a change of tax law, there may be an effect on the amount of principal or interest receivable by Bondholders under the terms of the Bonds.

Changes of Law

The structure of the Bonds and the rating by S&P are based on English law in effect as at the date of this Offering Circular. The Issuer cannot provide assurance as to the impact of any possible change to English law (including any change in regulation which may occur without a change in primary legislation), tax treatment or administrative practice in the United Kingdom after the date of this Offering Circular nor can any assurance be given as to whether any such change would adversely affect the ability of the Issuer or the Guarantor to make payments under the Bonds.

Modification, Waivers and Substitution

The Conditions and the Trust Deed contain provisions for calling meetings of Bondholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Bondholders, including Bondholders who did not attend and vote at the relevant meeting and Bondholders who voted in a manner contrary to the majority.

Following the occurrence of a Guarantor Trigger Event, the Trustee may, without the consent of the Bondholders (but subject to confirmation from the Rating Agency (as defined in the Conditions) that its then current rating of the Bonds would not be adversely affected), (i) agree to any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the Conditions or any of the provisions of the Trust Deed or determine that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such (provided that, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Bondholders) or (ii) agree to any modification which, in its opinion, is of a formal, minor or technical nature or to correct a manifest or proven error.

Denominations involving Integral Multiples: Definitive Bonds

The Bonds have denominations consisting of a minimum Specified Denomination (as defined in the Conditions) of £100,000 plus one or more higher integral multiples of £1,000. It is possible that such Bonds may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Bond in respect of such holding (should definitive Bonds be printed) and would need to purchase a principal amount of Bonds such that its holding amounts to a Specified Denomination.

If definitive Bonds are issued, holders should be aware that definitive Bonds which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Redemption prior to maturity

In the event that the Bonds become redeemable prior to maturity in circumstances where they are to be redeemed at par and that is less than the Redemption Price (as defined in Condition 8.2), it may not be

possible for an investor to reinvest the redemption proceeds at an effective yield as high as the yield on the Bonds. Condition 8.2 provides for redemption at par in the case of an Illegality Redemption or a Tax Redemption and Condition 11 provides for redemption at par following an Event of Default.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Bonds in Sterling (the **Issuer's Currency**). This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Issuer's Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Issuer's Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. Any appreciation in the value of the Investor's Currency relative to the Issuer's Currency would decrease (i) the Investor's Currency-equivalent yield on the Bonds, (ii) the Investor's Currency equivalent value of the principal payable on the Bonds and (iii) the Investor's Currency equivalent market value of the Bonds.

The Issuer, the Guarantor, the Paying Agent and the Trustee may (to the fullest extent permitted by applicable laws) deem and treat the bearer of any Bond or Coupon as the absolute owner for all purposes (whether or not the Bond or Coupon shall be overdue and notwithstanding any notice of ownership or writing on the Bond or Coupon or any notice of previous loss or theft of the Bond or Coupon or of any trust or interest therein) and shall not be required to obtain any proof thereof or as to the identity of such bearer.

2.4 Retained Bonds

- (a) The Original Retained Bonds, the Second Issue Retained Bonds, the Third Issue Retained Bonds, the Fourth Issue Retained Bonds, the Fifth Issue Retained Bonds, the Sixth Issue Retained Bonds and the Seventh Issue Retained Bonds have been, and other Retained Bonds may be, (in each case, together with the related Coupons and Talons) purchased by and held by or for the account of the Issuer and may be sold or otherwise disposed of in whole or in part by private treaty at any time, and shall cease to be Retained Bonds to the extent of and upon such sale or disposal.
- (b) Retained Bonds shall, pending sale or disposal by the Issuer, carry the same rights and be subject in all respects to the same Conditions as the other Bonds, except that the Retained Bonds will not be treated as outstanding for the purposes of determining quorum or voting at meetings of Bondholders or of considering the interests of the Bondholders save as otherwise provided in the Trust Deed. Bonds which have ceased to be Retained Bonds shall carry the same rights and be subject in all respects to the same Conditions as the other Bonds.

3. STATUS

The Bonds and the Coupons are secured obligations of the Issuer and rank *pari passu* with any New Bonds (and the coupons relating thereto) and any other Pari Passu Borrowings and without any preference among themselves. The Bonds are secured by the security set out in Condition 5 but (upon enforcement) rank subordinate in priority in point of payment to any claims of, *inter alios*, the Trustee against the Issuer as set out in the Enforcement Priority of Payments in Condition 5.3.

4. BOND GUARANTEE

4.1 Guarantee

The payment of principal and interest in respect of the Bonds and all other moneys payable by the Issuer under or pursuant to the Trust Deed has been unconditionally and irrevocably guaranteed by the Guarantor pursuant to the Bond Guarantee.

4.2 Subrogation of the Guarantor

The Bond Guarantee provides that the Guarantor shall defer any right of subrogation it may have against the Issuer in respect of amounts due in respect of the Bonds which have been paid by the Guarantor under the Bond Guarantee to those rights of the Trustee, the Bondholders and the Couponholders which have not yet been discharged in full.

5. SECURITY

5.1 Security

Pursuant to the Trust Deed, the obligations of the Issuer under, *inter alia*, the Bonds, the Coupons, the Trust Deed, the Paying Agency Agreement and the Custody Agreement are secured by a first

floating charge on the whole of the Issuer's undertaking, property and assets, whatsoever and wheresoever situated, present and future, in favour of the Trustee.

Such charge shall rank *pari passu* with the security for any New Bonds and any other *Pari Passu* Borrowings, in each case subject to and in accordance with the terms of the Deed of Priority.

5.2 Enforcement of security

The security granted by the Issuer as referred to in Condition 5.1 will become enforceable upon the occurrence of an Event of Default as provided in Condition 11 or upon a default in payment by the Issuer and the Guarantor on final redemption, in which event the Trustee may, in its discretion, and if so requested in writing by holders of at least one-fifth in aggregate principal amount of the Bonds (excluding any Retained Bonds) then outstanding or by an Extraordinary Resolution (as defined in the Trust Deed) of the Bondholders shall, subject to being indemnified and/or secured and/or pre-funded to its satisfaction, and without any liability as to the consequence of such action and without having regard to individual Bondholders or Couponholders, take action immediately to enforce such security (including without limitation converting the floating charge into a fixed charge).

5.3 Application of proceeds

The Trust Deed requires that all monies received by or on behalf of the Trustee following enforcement with respect to the Bonds and/or the security therefor (in the event that the Bonds have become due and repayable in full) and apportioned by the Trustee to the Bonds pursuant to the Trust Deed shall be applied according to the following priority (the **Enforcement Priority of Payments**):

- (a) to the payment of the fees, costs, charges, expenses and liabilities incurred by the Trustee or any receiver in connection with the enforcement of security and any other unpaid fees and expenses of the Trustee (including, but not limited to, all amounts payable to the Trustee under the Trust Deed);
- (b) to the payment, on a *pari passu* and *pro rata* basis, of all amounts owing to the Paying Agent under the Paying Agency Agreement and the Custodian under the Custody Agreement;
- (c) to the payment, on a *pari passu* and *pro rata* basis, of any other due but unpaid Issuer Expenses relating to the Bonds;
- (d) to the payment, on a *pari passu* and *pro rata* basis, of any due but unpaid interest on the Bonds;
- (e) to the payment, on a *pari passu* and *pro rata* basis, of the principal due and payable on the Bonds; and
- (f) any surplus to the Issuer and any other person entitled thereto.

6. INTEREST

6.1 Interest Rate and Payment Dates

- (a) The Seventh Issue Bonds bear interest at the rate of 2.893 per cent. per annum (the **Rate of Interest**) from and including 11th February, 2017. Interest in respect of the Bonds is payable semi-annually in arrear on each Payment Date.

- (b) The amount of interest payable in respect of each Bond for any Payment Period shall be calculated by applying the Rate of Interest to the principal amount of such Bond, dividing the product by two and rounding the resulting figure to the nearest penny (with one half penny being rounded up)
- (c) The amount of interest payable in respect of any period less than a full Payment Period, shall be calculated by applying the Rate of Interest to the principal amount of the Bond, multiplying the product by the Day Count Fraction, and rounding the resulting figure to the nearest penny (with one half penny being rounded up).

6.2 Pre-Enforcement Priority of Payments

Prior to the Bonds having become due and repayable in full and the security in respect of the Bonds being enforced as described in Condition 5.2 and subject as provided in the Trust Deed, on the Seventh Issue Closing Date and each Payment Date up to, and including, the Expected Maturity Date (and, if the Bonds are not redeemed in full on the Expected Maturity Date, each Payment Date up to, and including, the Legal Maturity Date), the Issuer shall apply the Available Receipts in the order set out below (the **Pre-Enforcement Priority of Payments**):

- (a) to the payment of any accrued and unpaid taxes and statutory fees owing by the Issuer to any tax authority;
- (b) to the payment of any unpaid fees and expenses of the Trustee (including, but not limited to, all amounts payable to the Trustee under the Trust Deed);
- (c) to the payment, on a *pari passu* and *pro rata* basis, of all amounts owing to the Paying Agent under the Paying Agency Agreement and the Custodian under the Custody Agreement;
- (d) to the payment, on a *pari passu* and *pro rata* basis, of any other due but unpaid Issuer Expenses relating to the Bonds;
- (e) (in the case of payment on a Payment Date) to the payment, on a *pari passu* and *pro rata* basis, of the interest due and payable on the Bonds in respect of the Payment Period (or other period) ending on such Payment Date; and
- (f) to the payment, on a *pari passu* and *pro rata* basis, of any principal due and payable on the Bonds.

6.3 Interest Accrual

Each Bond will cease to bear interest from and including the date on which it is due to be redeemed unless, upon due presentation, payment of the principal in respect of the Bond is improperly withheld or refused or unless default is otherwise made in respect of payment, in which event interest shall continue to accrue as provided in the Trust Deed.

7. PAYMENTS AND EXCHANGES OF TALONS

7.1 Payments in respect of Bonds

Payments of principal and interest in respect of each Bond will be made against presentation and surrender (or, in the case of part payment only, endorsement) of the Bond, except that payments of interest due on a Payment Date will be made against presentation and surrender (or, in the case of part payment only, endorsement) of the relevant Coupon, in each case at the specified office outside the United States of the Paying Agent.

7.2 Method of Payment

Payments will be made by credit or transfer to an account in Sterling maintained by the payee with or, at the option of the payee, by a cheque in Sterling drawn on, a bank in London.

7.3 Missing Unmatured Coupons

Each Bond should be presented for payment together with all relative unmatured Coupons (which expression shall, for the avoidance of doubt, include Coupons falling to be issued on exchange of matured Talons). Upon the date on which any Bond becomes due and repayable, all unmatured Coupons appertaining to the Bond (whether or not attached) shall become void and no payment shall be made in respect of such Coupons.

7.4 Payments subject to Applicable Laws

Payments in respect of principal and interest on the Bonds are subject in all cases to any fiscal or other laws and regulations applicable in the place of payment, but without prejudice to the provisions of Condition 9.

7.5 Payment only on a Presentation Date

A holder shall be entitled to present a Bond or Coupon for payment only on a Presentation Date and shall not, except as provided in Condition 6, be entitled to any further interest or other payment if a Presentation Date is after the due date.

7.6 Exchange of Talons

On and after the Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon comprised in the Coupon sheet may be surrendered at the specified office of the Paying Agent in exchange for a further Coupon sheet (including any appropriate further Talon), subject to the provisions of Condition 10. Each Talon shall, for the purposes of these Conditions, be deemed to mature on the Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

7.7 Initial Paying Agent

The name of the initial Paying Agent and its initial specified office are set out at the end of these Conditions. The Issuer reserves the right, subject to the prior written approval of the Trustee, at any time to vary or terminate the appointment of the Paying Agent and to appoint additional or other Paying Agents provided that:

- (a) there will at all times be a Paying Agent;
- (b) there will at all times be at least one Paying Agent having its specified office in a European city which so long as the Bonds are admitted to official listing on the London Stock Exchange shall be London or such other place as the UK Listing Authority may approve; and
- (c) the Issuer undertakes that it will maintain a Paying Agent in a Member State of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive.

Notice of any termination or appointment and of any change in specified office will be given to the Bondholders promptly by the Issuer in accordance with Condition 14.

8. REDEMPTION AND PURCHASE

8.1 Final Redemption of the Bonds

No payments of principal under the Bonds shall be made prior to the Expected Maturity Date except on an early redemption of the Bonds in accordance with Conditions 8.2 or 11. All outstanding Bonds not redeemed on or prior to the Expected Maturity Date will be redeemed in accordance with the Pre-Enforcement Priority of Payments:

- (a) on each date which is ten Business Days after payment is made by, or monies are otherwise recovered from, an Approved Borrower under or in respect of its Loan Agreement following the Expected Maturity Date in a corresponding amount; or, if later,
- (b) on the Legal Maturity Date, in respect of all amounts of interest and principal outstanding as at the Legal Maturity Date.

All interest accrued on the Bonds will be paid in accordance with the Pre-Enforcement Priority of Payments on each Payment Date to and including the Legal Maturity Date, until redemption and payment in full of all amounts (including principal and interest) payable in respect of the relevant Bonds.

8.2 Early Redemption

If any Loan becomes prepayable in whole or in part prior to the relevant repayment date as specified in the relevant Loan Agreement, then the Issuer shall redeem Bonds in an aggregate principal amount equal to the nominal amount of the Loan being prepaid on the date which is ten Business Days after that on which payment is made by the Approved Borrower under that Loan Agreement (or by the Guarantor under the relevant Loan Guarantee, as applicable), provided that no such redemption shall be required if the Issuer otherwise applies such monies in the purchase and cancellation of Bonds pursuant to Conditions 8.4 and 8.5 before such date. Redemption of the Bonds pursuant to this Condition shall:

- (a) in the case of an Illegality Redemption or a Tax Redemption, be made at par (together with any interest accrued up to and including the date of redemption); or
- (b) in the case of a Default Redemption or an Optional Redemption, be made at the higher of the following:
 - (i) par; and
 - (ii) the price (the **Redemption Price**), determined by a market maker appointed by the Issuer with the prior written approval of the Trustee (the **Market Maker**) and expressed as a percentage (rounded to three decimal places, 0.0005 being rounded upwards), at which the Gross Redemption Yield on the Bonds, if they were to be purchased at such price on the tenth dealing day prior to the due date for redemption of the Bonds (the **Determination Date**), would be equal to the Gross Redemption Yield on the Determination Date of 4½% Treasury Gilt 2042 or such other United Kingdom gilt as the Trustee, with the advice of three brokers or market-makers operating in the gilt-edged market (upon which advice the Trustee shall rely absolutely), shall determine to be appropriate (the **Reference Gilt**), on the basis of the middle market price of the Reference Gilt prevailing at 11.00 a.m. on the Determination Date;

in each case, together with any interest accrued up to and including the date of redemption.

The **Gross Redemption Yield** on the Bonds and on the Reference Gilt will be expressed as a percentage and will be calculated on the basis indicated by the United Kingdom Debt Management Office in the paper "Formulae for Calculating Gilt Prices from Yields" dated 16th March, 2005 (as amended or supplemented from time to time) in the sub-section of Section One: Price/Yield Formulae, titled "Conventional Gilts; Double-dated and Undated Gilts with Assumed (or Actual) Redemption on a Quasi-Coupon Date".

Notice of any such redemption as is provided in this Condition 8.2 shall be given by the Issuer to the Trustee, the Guarantor, the Paying Agent and the Bondholders as promptly as practicable.

In the case of a partial redemption of Bonds, Bonds to be redeemed will be selected in such place as the Trustee may approve and in such manner and at such time as the Trustee may deem appropriate and fair. Notice of any such selection will be given by the Issuer to the Bondholders as promptly as practicable. Each notice will specify the date fixed for redemption and the aggregate principal amount of the Bonds to be redeemed, the serial numbers of the Bonds called for redemption, the serial numbers of Bonds previously called for redemption and not presented for payment and the aggregate principal amount of the Bonds which will be outstanding after the partial redemption.

8.3 Purchase of Bonds by an Approved Borrower

Any Approved Borrower may at any time purchase Bonds on the London Stock Exchange or by tender (available to all Bondholders alike) or by private treaty at any price. Following any such purchase, such Approved Borrower may surrender the Bonds to the Issuer to be cancelled. An amount equal to the principal amount of the Bonds being surrendered shall be deemed prepaid under such Approved Borrower's Loan Agreement (but, for the avoidance of doubt, without triggering a redemption under Condition 8.2). Such surrendered and cancelled Bonds shall not be available for reissue.

8.4 Purchase of Bonds by Issuer

The Issuer may at any time purchase Bonds in the open market or otherwise at any price.

8.5 Cancellation

All Bonds redeemed by the Issuer pursuant to Condition 8.2 or purchased by the Issuer pursuant to Condition 8.4 (other than Retained Bonds) shall be cancelled and may not be resold or reissued.

The Issuer may cancel any Retained Bonds held by it or on its behalf at any time and shall cancel (a) any Original Retained Bonds held by it or on its behalf on the date falling one year after the Original Closing Date or such later date as the Issuer and the Guarantor shall agree, (b) any Second Issue Retained Bonds held by it or on its behalf on the date falling one year after the Second Issue Closing Date or such later date as the Issuer and the Guarantor shall agree, (c) any Third Issue Retained Bonds held by it or on its behalf on the date falling one year after the Third Issue Closing Date or such later date as the Issuer and Guarantor shall agree, (d) any Fourth Issue Retained Bonds held by it or on its behalf on the date falling one year after the Fourth Issue Closing Date or such later date as the Issuer and Guarantor shall agree, (e) any Fifth Issue Retained Bonds held by it or on its behalf on the date falling one year after the Fifth Issue Closing Date or such later date as the Issuer and Guarantor shall agree, (f) any Sixth Issue Retained Bonds held by it or on its behalf on the date falling one year after the Sixth Issue Closing Date or such later date as the Issuer and Guarantor shall agree and (g) any Seventh Issue Retained Bonds held by it or on its behalf on the date falling one year after the Seventh Issue Closing Date or such later date as the Issuer and Guarantor shall agree.

9. TAXATION

All payments in respect of the Bonds by or on behalf of the Issuer shall be made without withholding or deduction for, or on account of, any Taxes, unless the withholding or deduction of the Taxes is required by law. In that event, the Issuer will not be obliged to make any additional payments to Bondholders or Couponholders in respect of such withholding or deduction. Any such withholding or deduction will not constitute an Event of Default under Condition 11.

10. PRESCRIPTION

Bonds and Coupons (which for this purpose shall not include Talons) will become void unless presented for payment within periods of 10 years (in the case of principal) and five years (in the case of interest) from the Relevant Date in respect of the Bonds or, as the case may be, the Coupons, subject to the provisions of Condition 7. There shall not be included in any Coupon sheet issued upon exchange of a Talon any Coupon which would be void upon issue under this paragraph or Condition 7.

11. EVENTS OF DEFAULT

If any Event of Default (as defined below) occurs and is continuing, then the Trustee at its discretion may, and if so requested in writing by the holders of at least one-fifth of the aggregate outstanding principal amount of the Bonds (excluding any Retained Bonds) or if so requested by an Extraordinary Resolution of the Bondholders shall (subject to being indemnified and/or secured and/or pre-funded to its satisfaction), give notice to the Issuer and the Guarantor that the Bonds are, and they shall accordingly immediately become, due and repayable at par together with accrued interest. Upon the occurrence of an Event of Default, the security shall become enforceable as referred to in Condition 5.2. Each of the following events shall, following the occurrence of a Guarantor Trigger Event, be an **Event of Default**:

- (a) default is made by both the Issuer and Guarantor (i) for a period of 10 days in the payment when due of any monies payable on redemption of the whole or any part of the Bonds or (ii) for a period of 14 days in the payment of any interest due on the Bonds;
- (b) if the Issuer fails to perform or observe any of its other obligations under the Bonds, the Coupons or the Trust Deed, the breach of which obligation the Trustee certifies to be materially prejudicial to the interests of the Bondholders, and (except in any case where the Trustee considers the failure to be incapable of remedy or certifies that in its opinion any delay would be materially prejudicial to the interests of the Bondholders when no continuation or notice as is hereinafter mentioned will be required) such failure continues for a period of 30 days (or such longer period as the Trustee may permit) next following the service by the Trustee upon the Issuer of notice requiring the same to be remedied;
- (c) if any order shall be made by any competent court or any resolution passed for the winding up or dissolution of the Issuer (save for the purposes of amalgamation, merger, consolidation, reorganisation or other similar arrangement on terms approved by the Trustee) or the Issuer becomes unable to pay its debts as and when they fall due, or is deemed unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 (excluding, for this purpose, any debts which have the benefit of a guarantee from the Guarantor);
- (d) if (i) proceedings are initiated against the Issuer under any applicable liquidation, insolvency, composition, reorganisation or other similar laws or an application is made (or documents filed with a court) for the appointment of an administrative or other receiver, manager, administrator or other similar official, or an administrative or other receiver,

manager, administrator or other similar official is appointed, in relation to the Issuer or, as the case may be, in relation to the whole or any part of the undertaking or assets of the Issuer or an encumbrancer takes possession of the whole or any part of the undertaking or assets of the Issuer, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or any part of the undertaking or assets of the Issuer, and (ii) in any such case (other than the appointment of an administrator or an administrative receiver appointed following presentation of a petition for an administration order), is not discharged within 20 days;

- (e) if the Issuer (or its directors or shareholders) initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganisation or other similar laws (including the obtaining of a moratorium) or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors) or any meeting is convened to consider a proposal for an arrangement or composition with its creditors generally (or any class of its creditors); or
- (f) if any event occurs which, under the laws of any Relevant Jurisdiction, has or may have, in the Trustee's opinion, an analogous effect to any of the events referred to in subparagraphs (c) to (e) above.

12. EXERCISE AND ENFORCEMENT

12.1 Exercise and Enforcement

As more particularly provided in the Trust Deed, the Trustee will not be bound as against the Bondholders to take any action (whether to enforce all or any of the security constituted by the Trust Deed or otherwise) unless:

- (a)
 - (i) prior to the occurrence of a Guarantor Trigger Event, it has been directed in writing by the Guarantor; and
 - (ii) following the occurrence of a Guarantor Trigger Event, it has been so requested in writing by the holders of at least one-fifth of the outstanding principal amount of the Bonds (excluding any Retained Bonds) or has been so requested by an Extraordinary Resolution of the Bondholders; and
- (b) it has been indemnified and/or secured and/or pre-funded to its satisfaction.

12.2 Action by Bondholders

No Bondholder may take any action (a) against the Issuer to enforce its rights in respect of the Bonds or to enforce all or any of the security constituted by the Trust Deed or (b) against the Guarantor to enforce its rights in respect of the Bond Guarantee, in each case otherwise than through the Trustee, in each case unless the Trustee fails to do so within a reasonable time and such failure is continuing.

13. REPLACEMENT OF BONDS AND COUPONS

Should any Bond or Coupon be lost, stolen, mutilated, defaced or destroyed it may be replaced at the specified office of the Paying Agent upon payment by the claimant of the expenses incurred in connection with the replacement and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Bonds or Coupons must be surrendered before replacements will be issued.

14. NOTICES

All notices to the Bondholders will be valid if published in a leading English language daily newspaper published in London or such other English language daily newspaper with general circulation in Europe as the Trustee may approve. It is expected that publication will normally be made in the *Financial Times*. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or relevant authority on which the Bonds are for the time being listed. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers. If publication as provided above is not practicable, notice will be given in such other manner, and shall be deemed to have been given on such date, as the Trustee may approve. Couponholders will be deemed for all purposes to have notice of the contents of any notice given to the Bondholders in accordance with this Condition 14.

15. MEETINGS OF BONDHOLDERS, MODIFICATION, WAIVER, AUTHORISATION AND DETERMINATION

15.1 Controlling Rights of the Guarantor prior to a Guarantor Trigger Event

In relation to any matter other than a Bondholder Entrenched Right, provided that no Guarantor Trigger Event has occurred, the Guarantor shall have the right to direct the Trustee in writing in respect of all matters relating to these Conditions and the Trust Deed; provided that the Trustee shall not be bound by any such direction unless it is first indemnified and/or secured and/or pre-funded to its satisfaction in respect of any Liabilities which, in its opinion, it may incur in acting in accordance with such direction.

15.2 Meetings of Bondholders

The Trust Deed contains provisions for convening meetings of the Bondholders to consider any matter affecting their interests, including the modification or abrogation by Extraordinary Resolution of any of these Conditions or any of the provisions of the Trust Deed. The quorum at any meeting for passing an Extraordinary Resolution will be one or more persons present holding or representing more than 50 per cent. in principal amount of the Bonds (excluding any Retained Bonds) for the time being outstanding, or at any adjourned such meeting one or more persons present holding or representing more than 50 per cent. in principal amount of the Bonds (excluding any Retained Bonds) for the time being outstanding. The Trust Deed does not contain any provisions requiring higher quorums in any circumstances. An Extraordinary Resolution passed at any meeting of the Bondholders will be binding on all Bondholders, whether or not they are present at the meeting, and on all Couponholders. A resolution (i) in writing signed by or on behalf of the holders of not less than 75 per cent. in principal amount of the Bonds (excluding any Retained Bonds) for the time being outstanding or (ii) given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the holders of not less than 75 per cent. in principal amount of the Bonds (excluding any Retained Bonds) for the time being outstanding, in each case shall be as valid and effectual as an Extraordinary Resolution passed at a meeting of the Bondholders duly convened and held.

15.3 Modification, Waiver, Authorisation and Determination

Prior to the occurrence of a Guarantor Trigger Event, the Bond Trustee shall (without the consent of, and without incurring any liability to the Bondholders or the Couponholders), if so directed in writing by the Guarantor, agree to any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of these Conditions or any of the provisions of the Trust Deed; provided that (a) the subject matter is not a Bondholder Entrenched Right and (b) such modification

does not, in the sole opinion of the Trustee, impose upon the Trustee more onerous obligations or liabilities the repayment of which are not, within a reasonable time, in its opinion assured to it.

Following the occurrence of a Guarantor Trigger Event, the Trustee may, without the consent of the Bondholders or Couponholders (but subject to confirmation from the Rating Agency that its then current rating of the Bonds would not be adversely affected and provided that the subject matter is not a Bondholder Entrenched Right), (i) agree to any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of these Conditions or any of the provisions of the Trust Deed or determine that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such (provided that, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Bondholders) or (ii) agree to any modification which, in its opinion, is of a formal, minor or technical nature or made to correct a manifest or proven error.

15.4 Trustee to have Regard to Interests of Bondholders as a Class

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation or determination), the Trustee shall have regard to the general interests of the Bondholders as a class but shall not have regard to any interests arising from circumstances particular to individual Bondholders or Couponholders (whatever their number). In particular, but without limitation, it shall not have regard to the consequences of any such exercise for individual Bondholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof. The Trustee shall not be entitled to require, nor shall any Bondholder or Couponholder be entitled to claim, from the Issuer, the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Bondholders or Couponholders.

15.5 Notification to the Bondholders

Any modification, waiver, authorisation or determination shall be binding on the Bondholders and the Couponholders and, unless the Trustee agrees otherwise, any modification shall be notified by the Issuer to the Bondholders as soon as practicable thereafter in accordance with Condition 14.

16. INDEMNIFICATION OF THE TRUSTEE AND ITS CONTRACTING WITH THE ISSUER, THE GUARANTOR AND APPROVED BORROWERS

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking action unless indemnified to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer, the Guarantor, the Approved Borrowers and their respective subsidiaries or associated companies, or any of them, without accounting to the Bondholders or Couponholders for any profit resulting therefrom.

17. FURTHER ISSUES

Subject to the rest of this Condition 17, the Issuer shall have the power, without the consent of the Trustee, from time to time:

- (a) to create and issue further bonds (**Fungible Bonds**) which will be in bearer form and carry the same terms and conditions in all respects (other than the issue date and in respect of the first payment of interest) as, and shall be consolidated and form a single series and rank *pari passu* with, and share the same security as, the Bonds; and
- (b) to create and issue further bonds (**New Bonds** and, together with Fungible Bonds, **Further Bonds**) which will be in bearer form and carry such terms and conditions as the Issuer may

at the time of issue thereof determine and will rank *pari passu* in point of security with the Bonds, provided that such New Bonds must be issued with the benefit of a guarantee to be provided by the Guarantor in accordance with the Licence.

Any Further Bonds shall be constituted and secured by a deed supplemental to the Trust Deed (in such form as the Trustee may approve).

Any sums raised by an issue of Further Bonds shall be solely used for on-lending to Approved Borrowers in accordance with the terms of the Licence.

It shall be a condition precedent to the issue of any Further Bonds that the then current rating of the Bonds shall not be adversely affected by such issue.

18. GOVERNING LAW

The Trust Deed, the Guarantee, the Bonds, the Coupons, and any non-contractual obligations arising out of or in connection with the Trust Deed, the Guarantee, the Bonds and the Coupons, are governed by, and will be construed in accordance with, English law.

19. RIGHTS OF THIRD PARTIES

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Bonds, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

SUMMARY OF PROVISIONS RELATING TO THE SEVENTH ISSUE BONDS WHILE REPRESENTED BY THE GLOBAL BONDS

The following is a summary of the provisions to be contained in the Ninth Supplemental Trust Deed to constitute the Seventh Issue Bonds and in the Global Bonds which will apply to, and in some cases modify, the Conditions of the Seventh Issue Bonds while the Seventh Issue Bonds are represented by the Global Bonds.

1. Form

The Seventh Issue Bonds will be in bearer new global note (NGN) form and will initially be issued in the form of a temporary global bond (the **Seventh Issue Temporary Global Bond**) which will be delivered on or prior to the issue date of the Seventh Issue Bonds to a common safekeeper for Euroclear Bank SA/NV (**Euroclear**) and/or Clearstream Banking S.A. (**Clearstream, Luxembourg**).

The Seventh Issue Bonds are intended to be held in a manner which will allow Eurosystem eligibility. This means that the Seventh Issue Bonds are intended upon issue to be deposited with Euroclear or Clearstream, Luxembourg as common safekeeper and does not necessarily mean that the Seventh Issue Bonds will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life. Bondholders should note that the European Central Bank has applied a temporary extension of Eurosystem eligibility to Sterling denominated securities, the effective date for this temporary extension being 9th November, 2012. However, should this extension cease at any time during the life of the Seventh Issue Bonds, the Seventh Issue Bonds will not be in a form which can be recognised as eligible collateral.

2. Payments

Whilst the Seventh Issue Bonds are represented by the Seventh Issue Temporary Global Bond, payments of principal, interest (if any) and any other amount payable in respect of the Seventh Issue Bonds due prior to the Exchange Date (as defined below) will be made only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in the Seventh Issue Temporary Global Bond are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Paying Agent.

The holder of the Seventh Issue Temporary Global Bond will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Seventh Issue Temporary Global Bond for an interest in the Seventh Issue Permanent Global Bond (as defined below) is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on the Seventh Issue Permanent Global Bond will be made through Euroclear and/or Clearstream, Luxembourg without any requirement for certification.

On each occasion of a payment in respect of a Global Bond the Paying Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such payment.

3. Exchange

On and after the date (the **Exchange Date**) which is 40 days after the Seventh Issue Temporary Global Bond is issued, interests in the Seventh Issue Temporary Global Bond will be exchangeable for interests in a permanent global bond (the **Seventh Issue Permanent Global Bond** and, together with the Seventh Issue Temporary Global Bond and the global bonds representing the Original Bonds, the Second Issue Bonds, the Third Issue Bonds, the Fourth Issue Bonds, the Fifth Issue Bonds and the Sixth Issue Bonds, the **Global Bonds**), against certification of beneficial ownership as described above unless such certification has already been given.

The Seventh Issue Permanent Global Bond will be exchangeable in whole but not in part (free of charge to the holders) for definitive Bonds only:

- (a) if either Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so and no alternative clearing system satisfactory to the Trustee is available; or
- (b) if the Issuer would suffer adverse tax consequences which would not be suffered were the Bonds in definitive form and a certificate to such effect signed by two Directors of the Issuer is given to the Trustee.

Thereupon (in the case of (a) above) the holder of the Seventh Issue Permanent Global Bond (acting on the instructions of one or more of the Accountholders (as defined below)) or the Trustee may give notice to the Issuer, and (in the case of (b) above) the Issuer may give notice to the Trustee and the Bondholders, of its or their intention to exchange the Seventh Issue Permanent Global Bond for definitive Bonds. Any such exchange shall occur no later than 60 days after the occurrence of the relevant event in (a) or (b) above.

Upon the surrender of the Seventh Issue Permanent Global Bond by the Paying Agent the Issuer will deliver, or procure the delivery of, an equal aggregate principal amount of definitive Bonds (having attached to them all Coupons in respect of interest which has not already been paid on the Seventh Issue Permanent Global Bond), security printed in accordance with any applicable legal and stock exchange requirements and in or substantially in the form set out in the Trust Deed.

4. Notices

For so long as all of the Bonds are represented by one or more of the Global Bonds and the Global Bond(s) is/are held on behalf of Euroclear and/or Clearstream, Luxembourg, notices to Bondholders may be given by delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg (as the case may be) for communication to the relative Accountholders (as defined below) rather than by publication as required by Condition 14. Any such notice shall be deemed to have been given to the holders of the Bonds on the day after the day on which such notice was delivered to Euroclear and/or Clearstream, Luxembourg (as the case may be) as aforesaid.

Whilst any of the Bonds held by a Bondholder are represented by one or more of the Global Bonds and such Global Bond(s) is/are held on behalf of Euroclear and/or Clearstream, notices to be given by such Bondholder may be given by such Bondholder (where applicable) through Euroclear and/or Clearstream, Luxembourg and otherwise in such manner as the Paying Agent and Euroclear and Clearstream, Luxembourg may approve for this purpose.

5. Accountholders

For so long as any of the Bonds are represented by a Global Bond and such Global Bond is held on behalf of Euroclear and/or Clearstream, Luxembourg, each person (other than Euroclear or

Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of such Bonds (each an **Accountholder**) (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the principal amount of such Bonds standing to the account of any person shall, in the absence of manifest error, be conclusive and binding for all purposes) shall be treated as the holder of such principal amount of such Bonds for all purposes (including, but not limited to, for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Bondholders (other than where such Bonds are Retained Bonds held by the Issuer) and giving notice to the Issuer pursuant to Condition 11) other than with respect to the payment of principal and interest on such principal amount of such Bonds, the right to which shall be vested, as against the Issuer, the Guarantor and the Trustee, solely in the bearer of the relevant Global Bond in accordance with and subject to their terms and the terms of the Trust Deed. Each Accountholder must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for its share of each payment made to the bearer of the relevant Global Bond.

Bonds which are represented by a Global Bond will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be.

6. Partial Early Redemption

For so long as all of the Bonds are represented by one or more of the Global Bonds and such Global Bond(s) is/are held on behalf of Euroclear and/or Clearstream, Luxembourg, no selection of Bonds will be required under Condition 8.2 (*Early Redemption*) in the event that the Issuer is required to redeem Bonds in an amount which is less than the aggregate principal amount of the Bonds outstanding at such time. In such event, the standard procedures of Euroclear and/or Clearstream, Luxembourg shall operate to determine which interests in the Global Bond(s) are to be subject to such option.

7. Prescription

Claims against the Issuer in respect of principal and interest on the Bonds represented by a Global Bond will be prescribed after 10 years (in the case of principal) and five years (in the case of interest) from the Relevant Date.

8. Cancellation

Cancellation of any Bond represented by a Global Bond and required by the Conditions of the Bonds to be cancelled following its redemption or purchase and surrender will be effected by entry in the records of Euroclear or Clearstream, Luxembourg, as the case may be.

9. Euroclear and Clearstream, Luxembourg

References in the Global Bonds and this summary to Euroclear and/or Clearstream, Luxembourg shall be deemed to include references to any other clearing system approved by the Trustee.

10. Single Series

The Seventh Issue Bonds shall be consolidated and form a single series with the Original Bonds, the Second Issue Bonds, the Third Issue Bonds, the Fourth Issue Bonds, the Fifth Issue Bonds and the Sixth Issue Bonds on and from the date on which, and to the extent that, interests in the Seventh Issue Temporary Global Bond are exchanged for interests in the Seventh Issue Permanent Global Bond, as described above.

TAXATION

United Kingdom Taxation

The following deals only with the United Kingdom tax position for persons who are the beneficial owners of Bonds and is a summary of the Issuer's understanding of current United Kingdom law and published practice of HM Revenue & Customs (**HMRC**) relating to certain aspects of United Kingdom taxation. It is not advice, and is given for information purposes only. References to "interest" refer to interest as that term is understood for United Kingdom tax purposes. Some aspects do not apply to certain classes of person (such as dealers and persons connected with the Issuer) to whom special rules may apply. The United Kingdom tax treatment of prospective Bondholders depends on their individual circumstances and may be subject to change in the future. All prospective Bondholders who may be subject to tax in a jurisdiction other than the United Kingdom or who may be unsure as to their tax position should seek their own professional advice.

A. Interest on the Bonds

Payment of interest on the Bonds

Payments of interest on the Bonds may be made without deduction of or withholding on account of United Kingdom income tax provided that the Bonds continue to be listed on a "recognised stock exchange" within the meaning of section 1005 of the Income Tax Act 2007 (the **ITA**). The London Stock Exchange is a recognised stock exchange. Securities will be treated as listed on the London Stock Exchange if they are included in the Official List (within the meaning of and in accordance with the provisions of Part 6 of the Financial Services and Markets Act 2000 (as amended, the **FSMA**)) and admitted to trading on the London Stock Exchange. Provided, therefore, that the Bonds remain so listed, interest on the Bonds will be payable without withholding or deduction on account of United Kingdom tax.

In other cases, an amount must generally be withheld from payments of interest on the Bonds that has a United Kingdom source on account of United Kingdom income tax at the basic rate (currently 20 per cent.), subject to any available exemptions and reliefs, including an exemption for certain payments of interest to which a company within the charge to United Kingdom corporation tax is beneficially entitled. However, where an applicable double tax treaty provides for a lower rate of withholding tax (or for no tax to be withheld) in relation to a Bondholder, HMRC can issue a notice to the Issuer to pay interest to the Bondholder without deduction of tax (or for interest to be paid with tax deducted at the rate provided for in the relevant double tax treaty).

Further United Kingdom Income Tax Issues

Interest on the Bonds that constitutes United Kingdom source income for tax purposes may, as such, be subject to income tax by direct assessment even where paid without withholding.

However, interest with a United Kingdom source received without deduction or withholding on account of United Kingdom tax will not be chargeable to United Kingdom tax in the hands of a Bondholder (other than certain trustees) who is not resident for tax purposes in the United Kingdom unless that Bondholder carries on a trade, profession or vocation in the United Kingdom through a United Kingdom branch or agency in connection with which the interest is received or to which the Bonds are attributable (and where that Bondholder is a company, unless that Bondholder carries on a trade in the United Kingdom through a permanent establishment in connection with which the interest is received or to which the Bonds are attributable). There are exemptions for interest received by certain categories of agent (such as some brokers and investment managers). The provisions of an applicable double taxation treaty may also be relevant for such Bondholders.

B. United Kingdom Corporation Tax Payers

In general, Bondholders which are within the charge to United Kingdom corporation tax will be charged to tax as income on all returns, profits or gains on, and fluctuations in value of, the Bonds (whether attributable to currency fluctuations or otherwise) broadly in accordance with their IFRS or UK GAAP accounting treatment.

C. Other United Kingdom Tax Payers

Accrued Income Scheme

On a disposal of Bonds by a Bondholder, any interest which has accrued since the last Payment Date may be chargeable to tax as income under the rules of the accrued income scheme as set out in Part 12 of the ITA, if that Bondholder is resident in the United Kingdom or carries on a trade in the United Kingdom through a branch or agency to which the Bonds are attributable.

D. Stamp Duty and Stamp Duty Reserve Tax

No United Kingdom stamp duty or stamp duty reserve tax is payable on the issue of the Bonds or on a transfer by delivery of the Bonds.

The Proposed Financial Transaction Tax (FTT)

On 14th February, 2013, the European Commission published a proposal (the **Commission's Proposal**) for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the **participating Member States**). However, Estonia has since stated that it will not participate.

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in the Bonds (including secondary market transactions) in certain circumstances.

Under the Commission's Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Bonds where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective holders of the Bonds are advised to seek their own professional advice in relation to the FTT.

SUBSCRIPTION AND SALE

HSBC Bank plc, RBC Europe Limited and The Royal Bank of Scotland plc (trading as NatWest Markets) (the **Managers**) have, pursuant to a seventh issue subscription agreement (the **Seventh Issue Subscription Agreement**) dated on or about 3rd April, 2017, agreed to subscribe or procure subscribers for the Seventh Issue Bonds (other than the Seventh Issue Retained Bonds) at the issue price of 116.942 per cent. of the principal amount of the Seventh Issue Bonds (other than the Seventh Issue Retained Bonds) (plus 52 days' accrued interest in respect of the period from and including 11th February, 2017 to but excluding the Seventh Issue Closing Date at the rate of 2.893 per cent. per annum), less a management commission. The Issuer will also reimburse the Managers in respect of certain of their expenses, and has agreed to indemnify the Managers against certain liabilities, incurred in connection with the issue of the Seventh Issue Bonds. The Seventh Issue Subscription Agreement may be terminated in certain circumstances prior to the issue of the Seventh Issue Bonds.

United States

The Bonds have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act.

In addition, until 40 days after the commencement of the offering of the Seventh Issue Bonds, an offer or sale of Seventh Issue Bonds within the United States by any dealer that is not participating in the offering may violate the registration requirements of the Securities Act.

Terms used above have the meanings given to them by Regulation S under the Securities Act.

United Kingdom

Each Manager has represented and agreed that, except as permitted by the Seventh Issue Subscription Agreement:

- (a) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of the Seventh Issue Bonds in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer or the Guarantor; and
- (b) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Seventh Issue Bonds in, from or otherwise involving the United Kingdom.

General

No action has been taken by the Issuer or any of the Managers that would, or is intended to, permit a public offer of the Seventh Issue Bonds or possession or distribution of this Offering Circular or any other offering or publicity material relating to the Seventh Issue Bonds in any country or jurisdiction where any such action for that purpose is required. Accordingly, each Manager has undertaken that it will not, directly or indirectly, offer or sell any Seventh Issue Bonds or have in its possession, distribute or publish any offering circular, prospectus, form of application, advertisement or other document or information in any country or jurisdiction except under circumstances that will, to the best of its knowledge and belief, result in compliance with any applicable laws and regulations and all offers and sales of the Seventh Issue Bonds by it will be made on the same terms.
